SAT	WB6N	WB6N	KA7YYR	WB6N	AI7H

Time to “Fall Back”

Don't forget – we will change back to “Standard” time at 2AM on Sunday, November 4. IMN will still meet at 0245Z, but that will be one hour EARLIER on your local clock dial. Pay attention to your favorite nets – some stay on Zulu (UTC) time all year, some stay with current local time. The good news is that you get a free extra hour of sleep on Saturday night if you remember to set your clocks back one hour before going to bed. And all “Atomic Clocks” and the time on your computer are smart enough to change automatically (we hope).

About “Non-Certified Radios”

If you have not already heard, trouble is brewing with some imported VHF/UHF radios. The FCC has issued an Enforcement Order regarding the “importation, marketing, and use” of a certain brand of radios. Your editor is not aware of citation of a certain brand name, but word of mouth has it that the ‘Baeofang’ brand is the target. Apparently the radios are capable of transmitting on ham frequencies and other frequencies or bands, as well. As of today the situation is still up-in-the-air. We hope to have more news by next month.

The Simulated Emergency Test (SET) for Idaho

We're still counting but it looks like we only had about 100 responses to the Idaho SET 2018. (This event was a “census”, designed to see how many hams could we reach during the month of October. Maybe our “reach” was not as good as hoped for!)

WWV and WWVH Are On Air

And they're still here on 11/01, as well.

News From Around the Net (Sometimes Known as the “Bull Sheet”)

Our Idaho hams and friends are unusually quiet this month. Maybe antenna farming or getting ready to fly south for the winter (?)

Humor Division

Some quick Halloween Jokes (sorry we're a day late)

Three Vampires went into a crowded and noisy Vampire Bar. The bartender asked, “What’ll you Have”, and the Vampires said “Blood”, “Blood”, and “Plasma”. The bartender wanted to make sure he had the orders right, so repeated back “That’s Blood, Blood, and Blood Lite?”

Why do Demons and Ghouls stick together? Because Demons are a Ghouls best friend.

And one suitable for Halloween or Thanksgiving

What’s the relationship between the circumference and the diameter of a Pumpkin?
Pumpkin Pi.

October QNI and QTC (28 of 31 days in at press time)

QNI: VE6ADM-17, AC7AF-5, VE6AWI-13, K7BFL-8, KA7FTP-22,
W7GB-8, AI7H-20, K9JM-22, AB7MP-5,
WB6N-15, W6PAP-2, W7PKL-3, KF7QNS-22, VA7QQ-12, W7SAG-14,
KM7SM-8, W4TVI-2, WI7U-2, K7URU-22, W5UYH-17, K7VK-2, W7XT-
6, KA7YYR-18, N7EU-1, total 266

QTC: AI7H-8, WB6N-2, VA7QQ-1, W7XT-2, W5UYH-1, total 16

Newsletter Contributions Welcome!

If you have an interesting news story, or some reportable activity (ham or otherwise) is happening at your QTH, please send it in and we’ll share with all in our newsletter family.
